Don's Johns -- THANKS!

As well as our many wonderful food sponsors, we've had a lot of sponsor support on several other fronts -- including some aspects of production that that might not be as glamorous as catering but are *absolutely essential*.

Like portojohns - the unsung heroes of all outdoor events & film shoots.

So, hats off and a big thanks to our official portajohn sponsor: [DON'S JOHNS!!](#)

These guys are serious pros -- they had the inauguration contract -- (see news coverage on YouTube)

Whether it's 10-2*, or 10-1*, call Don's Johns, they're the one!

-- Kathryn Coombs, UPM

* Film set etiquette notes for newbies: For reasons I've never been able to fathom, when one is announcing on walkie to other crew that one will be "indisposed" for a period of time, one is supposed to specify what *kind* of indisposed one will actually be. Apparently, the theory is that a 10-1 doesn't take as long as a 10-2. As far as I'm concerned, it should be 10-MYOB
