

Construction Road Crew Trailer

PORTABLE RESTROOM FOR ROAD WORKERS

Features & Benefits:

- Ensures safe and convenient relocation of units
- All of the great features of our Standard Restroom, including an extra-large 62 gallon waste water tank and a lockable door for privacy, mounted securely on a movable two-wheel trailer
- Connects in minutes and easily towed behind any vehicle with a minimum class 2 trailer hitch
- Standard wiring harness connector for brake lights and turn indicators
- Can also be easily rolled into position by a two-man crew
